Pretty interesting on the heels of your email to me...  
Good luck with Pitts Carr.

**Subject: Update on Participation with My Advocate Center**

Dear David and Deb,

After extensive consideration and due diligence, I have elected to withdraw my participation from the activities of the My Advocate Center. Please withdraw me from consideration of being a Board Member and for providing any funding sources.

Even though I am agreement with the Mission of the My Advocate Center, I am not in agreement with some of means and method of obtaining objectives. This has been a difficult decision for me to make. However, the challenge to face the corruption of the courts takes 100% confidence and commitment.

I wish you success on this crusade and I am confident that we will be exchanging information as we all unfortunately have to deal with a badly corrupt and broken system.

Please note that the information revealed to me in confidence will be kept in confidence. I wish only positive progress for the effort and the best for the both of you.

Success fully yours,
