**FINAL INVESTIGATIVE SUMMARY**

On Tuesday, January 21, 2014, at approximately 2:08 p.m., SPECIAL AGENT HEATHER STRICKLAND called JUDGE GAIL TUSAN and spoke with her Assistant HARRIETT FORD at 404-612-8520. FORD stated that she would see if JUDGE TUSAN was available.

When she returned to the phone FORD stated that JUDGE TUSCAN was not available to speak; however, JUDGE TUSAN did review the article after she met with AGENT HORNE and then spoke with him about her investigative request. At that time, she conveyed to AGENT HORNE that she did not wish to pursue the investigation due to the fact that no criminal laws were violated.

This case is now submitted for closure.
